Dear Parents and Students,

Enclosed please find a booklist for your 5th grader. Each student is required to read a minimum of three books over the summer. Each child can choose one book from the attached list and two books of their choice.

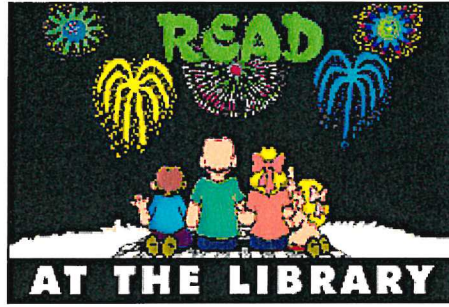

On the first day of school, please return the attached summer reading list book log. During the first few weeks of school in September, students will be given an assignment to complete in class on one of their summer reading choices.

Please encourage your son/daughter to read and visit the library over the summer.

Thank you,

Mrs. Graham
